

KWUXAST

q^wlq^wilst: “talk to someone”

Kwu Xast is having a writing and art challenge

We would like participants to interview a Residential School Survivor and write a story based on what you were told, also make a piece of art work that relates to your story.

We want to document and acknowledge the experiences of our Survivors. We encourage your participation as this project is both a learning and sharing opportunity.

Some questions you may want to use; how long did you attend residential school? How old were you when you first attended? What is a good/bad memory that you want to share about your time spent at residential school?

Story DEADLINE: Friday, March 16, 2018

Everyone welcome to participate
