## AUCTION AND 50/50

**Exciting! Terrific!**

**We are planning to relocate the existing boulder monument and build a new granite monument with funding support from the Veterans Affairs Canada (VAC). We will:**

- \* **Inscribe the names of our local FN veterans**
- \* **Include a ceremonial fire pit and benches**
- \* **Include Nlaka'pamuxcn, Nsyilxcen, English and French languages**

**Now, we have a lot of work to do.  
The FN Veterans need your support. Yaaa!**
