

TELUS PureFibre Network in Upper Nicola Band – Nicola Lake 1

We are sorry that we missed you at the PureFibre Launch Event!

With funding provided by TELUS and provincial government's Connecting BC Economic Recovery Fund, TELUS worked closely with Upper Nicola Band Administration and Leadership to bring a direct PureFibre connection to every home and business on **Nicola Lake IR 1**.

On March 12, 2024, Upper Nicola Band and TELUS collaborated to celebrate the launch of the new network! If we missed you at the event, we would be happy to discuss and share information regarding the products and services, including high-speed internet and Optik TV, and assist in signing you up for new services!
