Message our Principal

February is heart ❤️ month, anti bullying, Valentine's, so let's all be kind, share kind words, and respect each other.

Message from Mr. Chretien

Congrats to all N'kwala high school students on completing Semester 1 with great success! As we dive into Semester 2, let's keep up the momentum and make it another amazing half-year.

Shoutout to the Class of 2025—graduation is set for June 23rd, and we're so close! Let's finish strong!

N'KWALA NEWSLETTER

February 2025

Well, events in January 2025 are going great in our classroom!! In all of our subjects, our students are engaged in the learning that has been taught. In Language Arts, we are wrapping up our novel study on the book "Number the Stars" by Lois Lowry, where a girl must help hide her friend from the dangers of war. In Math, we are diving into division and long division, and in the next couple weeks, will start to learn about money and use in everyday life. In Social Studies, our class has been exploring the history and culture of Ancient Greece with how ideas from their past helped influence our present. In Science, we are finishing our unit on Electricity and in the next couple of weeks, will start to look at Evolution/Biodiversity in different species. In Career Education, students are learning key leadership attributes and skills needed in life. In short, 2025 is off to hot but fun and intriguing start. I look forward to seeing my students learn more in the coming weeks.

Dear Parents and Guardians,

Our class have been learning ice fishing words in Okanagan. Ask us to share some of the new words we've learned! <https://uppernicola.com/wp-content/uploads/2024/08/10.-Ice-Fishing.pdf>

On Friday, January 10th we enjoyed going ice fishing as a school. Students all had an opportunity to participate in learning on the land. We had fun cooking hot dogs and marshmallows too! See some pictures of our adventures below.
